Dear Mani:

I so enjoyed lunch today and the opportunity to learn more about the Tennessee Campus Compact. It is easy to understand why we have been so successful in Tennessee, yet I appreciate your interest in seeing the state of Tennessee reach to higher levels.

The August 21 Board meeting is on my calendar and I look forward to receiving more information that day about the strategic plan as well as getting an opportunity to participate in the activities for next year. Great thanks also for the book about Sargent Shriver. I look forward to reading it very soon.

Thank you for your commitment to our education system in Tennessee.

Sincerely,

Joe Pitts
State Representative
