Tennessee Campus Compact AmeriCorps*VISTA Project Goals 2006-2012

TNCC AmeriCorps*VISTA Project Goals 2006-2009

Project Goal I: To create an office within a postsecondary institution for the purpose of promotion of community service, service-learning, and civic engagement

Project Goal II: To strengthen programs and services with an institution having an existing community service infrastructure

Project Goal III: To strengthen community support for local k-12 schools

Project Goal IV: To support the creation of a statewide Campus Compact organization

Project Goal V: To support the sustainable impact of the high school mentoring component of the TACEP service-learning grant

TNCC AmeriCorps*VISTA Project Goals 2009-2010

Project Goal I: Create and expand community service and service-learning infrastructure in Tennessee colleges and universities.

Project Goal II: Create and expand mutually beneficial college-community partnerships that link university resources and needs with community resources and needs.

Project Goal III: Develop training programs that will ensure sustainability of high quality service-learning on TNCC member campuses.

TNCC AmeriCorps*VISTA Project Goals 2010-2011

Project Goal I: TNCC VISTAs must develop systems to collect and aggregate data for TNCC reporting out.

Project Goal II: TNCC VISTAs must develop capacity to increase the number of service-learning courses via organizing service-learning curriculum integration workshops.

Project Goal III: TNCC VISTAs must create infrastructure to establish new central coordinating units and campus-community partnerships to increase student civic and community engagement.

2011-2012 TNCC VISTA Project Goals:

Project Goal I (Campus Specific): Create and expand civic engagement and service-learning infrastructure and curriculum integration with an emphasis on the 2011-2015 CNCS strategic plan priority issues areas: (i) disaster services; (ii) economic opportunity; (iii) education; (iv) environmental stewardship; (v) healthy futures; and (vi) veterans and military families. The attached CNCS Strategic Plan provides guidance on these six themes.

Project Goal II (TNCC Central Office Specific): Strengthen and expand the capacity of the TNCC central office institutional infrastructure to collect and distribute impact data and best practices as well as increase funding for campus and central office programs, services, and personnel via new grant awards and fundraising campaigns utilizing TNCC VISTAs placed at member institutions.
